

Income

The academy has been allocated £19,558 for this academic year. This is the same amount as last year.

Cohort

The breakdown of numbers of students below 100 in KS2 tests (2019) in Y7 is as shown below.

Reading	Mathematics
26 students (22%)	24 students (20%)

17 students scored below 100 in both tests (14%)

Spending streams

The catch up premium will be used to support the funding of the following programmes.

- 1:1 intervention sessions
- Small group catch up sessions
- Accelerated Reader scheme in year 7 English lessons
- Lexonic and Lexonic Leap sessions
- Reading champion for the academy
- Maths HLTA
- MathsWhizz

Impact of last year's spending

Last year 47 students were at below expected standard for reading and 44 below for maths at the start of year 7

Progress was as follows:

	Below Expected Standard KS2	On track	Below
English	47	34	11
Mathematics	44	9	33

A number of different forms of assessment were used to make this judgement. These were:

Teacher assessment

Lexonik progress using WRAT tests

The maths data is very disappointing hence the purchase of Maths Whizz this year and additional funding for maths intervention.

Lexonik data:

Test Used	Pre CA	Pre Raw Score	Post CA	Post Raw Score	Pre Reading Age	Post Reading Age	Pre Standard Score	Post Standard Score	Reading Gain in months	Standard Score Gain
