

7 February 2022

Dear Parents/Carers,

Thank you once again to parents for their support whilst we have once again managed high levels of staff absence this half term. Some updates are included below.

### Vouchers for half term

Blackpool Council have once again provided a £15 voucher for all children who are eligible for free school meals. The messages will start to be sent to parents in the next few days.

### Extra Curricular activities

Extra curricular activities will begin again after half term. We offer a range of activities for children and there should be something to suit every taste. Tutoring will also be offered to some children as part of the Government's catch up offer.

### Uniform

Uniform standards play a critical role in establishing high expectations of children. Mr. Bradshaw will write to parents of children in Y7 and above clarifying expectations for after half term. The vast majority of children uphold high standards of uniform but some students fall short which cannot be tolerated.

### INSET Day

The last day of term for children is Thursday 10th February, finishing at normal time. School is closed to children on Friday 11th February.

### WOW Moments

Every week staff share WOW moments with each other. These are things that we have seen or that have happened in school which have been particularly special, we have shared some of these with parents on the reverse of this letter.

### Reading Festival - Saturday 25th June 2022

Our reading festival is back for 2022. We have already booked several authors and storytellers and will continue to do so over the next few weeks. Tickets will be available soon, but for now please save the date above so you don't miss out.

Yours sincerely,

Mr. S. Cooke  
Headteacher
