20 mins per day - see log in card

Set up a shop.
Use items from your house e.g. food and toys.
Label the items with a price tag.
Take turn with an adult using real money to buy things from the shop. Count out the correct number of 1ps.
How many different ways can you make 6p, 10p etc.

If you buy 2 items, can you add them together? Can you write the number sentence in your book?

Point to the sounds and say them. Mix it up in order and out of order.

Design your own superhero? Draw them in your book?
What super powers would they have? Write a list or label your superhero.

Write a daily diary about what you have been doing at home.

Learn and perform an Easter song.

Practise your cutting skills.

Take photos everyday using a phone or device if you have one!

If possible plant a bean.

Start in a small pot and see how much it grows.
Take photos, measure it and look at how it changes over time.
