

Unity Mathematics department.

Year 9

The Working towards passport contains relevant Hegarty video clip numbers. Login to your hegarty account and in the search bar key in the video clip number. Use the passport to check your progress.

I have attached a starter booklet to complete each week along with an aiming for a grade 5 booklet if you have completed the aiming for a 3 booklet from last half term. The starters have a foundation and higher. Set 1 (Mr Buckley's class to do higher) .

The Revision guide aiming for a grade 5 can be completed in your reflection log. If you are stuck you can look on hegarty maths for clips to help you.

9U5 you can complete tasks on Prodigy.
