

Y11 Targeted Self-Study

To support your individual preparation for GCSEs, your teachers have developed a series of 20 minute short burst revision tasks for you to complete at home. It is an expectation at Unity that Y11 students will complete at least one revision task a day. Details of the weekly tasks will be sent to your school email address and shared via the weekly 'Headteacher's Update' to parents. Details of this week's tasks are below. Select those relevant to the courses you study.
