What do I need to know?

- How to find my way around a familiar place using a map
- What human features there are within our local area
- What physical features there are around our local area
- I can identify features found on a map within my local area
- I know where I live (including my address) and how to get to school
- I know the different ways I could travel to school

Recommended Books

Prior Learning

Prior to learning about the geography of Where We Live I will have learnt:

- To describe my local environment
- How to find information from a simple map
- Observed the change in seasons in my local area

I could have:

- Looked at maps of where I live
- Walked in my local area
- Know the name of the street I live on
- Used different modes of transport
