Year 1 Computing Technology Around Us

Key Vocabulary
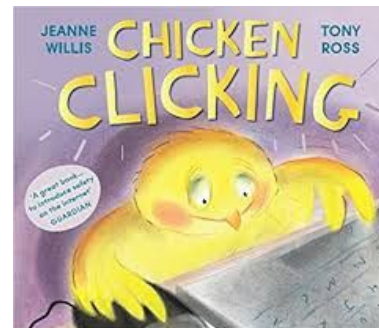

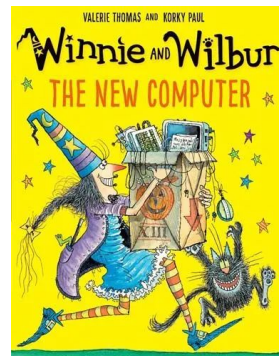

Technology
Mouse
Keyboard
Keys
Monitor
Base unit
Printer
Speaker
Microphone

What do I need to know?

- ❏ Where is technology found and how can it help us?
- ❏ What are the main parts of a computer and what is their function?
- ❏ How can I use a mouse to open a programme, click and drag and create a picture?
- ❏ How can I use a keyboard to type and save my work?
- ❏ How can I use a keyboard to edit and improve my work?
- ❏ What are our rules for using technology safely?

Recommended Books

Winnie and Wilbur THE NEW COMPUTER — VALERIE THOMAS AND KORKY PAUL

CHICKEN CLICKING — JEANNE WILLIS, TONY ROSS

Prior Learning

Prior to learning I will have learnt:
-To use programmable toys.
-To use an app on an ipad.
-To use buttons to make something happen.
-Turned technology off and on.

 I could have:
-played a game on an electronic device
-watched a video on an electronic device
-taken a photo on an electronic device
