What do I need to know?

- ☐ What is a computer and what isn't a computer?
- ☐ What IT is used in school?
- ☐ Where else is IT found?
- ☐ What are the benefits of IT?
- ☐ What rules are there to stay safe when using IT?
- ☐ How can IT be used in different ways

Recommended Books

Prior Learning

Prior to learning I will have learnt:

- To use a PC
- To use an app on an iPad.
- About the different parts of a computer.
- How to use a mouse and keyboard
- How to use a computer safely

I could have:

- played a game on an electronic device
- watched a video on an electronic device
- taken a photo on an electronic device
