

Year 5	Maths	English	Science and Art	DT	History	Geography
<p>wc 20.4.20</p>	<p>TT Rockstars 5 times a week</p> <p>MyMaths activities</p> <p>SAMLearning activities</p> <p>Sumdog activities</p>	<p>Lexia - 30 mins x 5 (If you have a login)</p> <p>SPAG.com activities</p> <p><u>Reading</u></p> <p>Continue to read Midsummer Night's Dream (a bit every day)</p> <p><u>Writing</u></p> <p>In your school book, write a recipe that you intend to cook or bake with your family. This could be anything from a cake, to Spaghetti Bolognaise for your dinner.</p> <p>Please remember to include: time adverbials, adverbs and modal verbs.</p>	<p>Experiment with Shadows Create a Shadow show by making an animal puppet out of paper and tape it on to a straw or small stick. Create a scene on a large piece of paper. Then shine a lamp from behind the paper in a darkened room and tell a story with your puppet.</p> <p>Useful websites to look at: https://innerchildfun.com/2012/07/how-to-build-a-simple-shadow-puppet-theater-2.html</p> <p>https://www.science-sparks.com/shadow-activity-ideas/</p> <p>Or if you can maximise this picture here are some instructions.</p> 	<p>Baking: Linked to DT, you should have written a step by step instruction guide of how to make your chosen meal.</p> <p>Your DT project this week is to follow your recipe to make your chosen meal. You will need an adult to support you if you are using an electrical or gas appliance.</p> <p>Remember to follow your DT objective of keeping safe and hygienic in the kitchen, remembering to wash up and clean the kitchen afterwards!</p> <p>Please send us your finished projects via the year 5 email address so we can see your amazing finished products!</p>	<p>SAMLearning activities linked to the Vikings and Anglo Saxons.</p> <p>Be a historian like Samuel Pepys in the The Great Fire of London. Keep a diary of events during this time so that you will have evidence as an Eye Witness for future historians and history lessons. This does not need to be written everyday just when you wish to record an entry.</p>	<p>Research penguins</p> <p>Things to research: Where do they live? About their habitat What is their diet? How do they move on land and in the water? Are they a carnivore, herbivore or omnivore?</p> <p>You could draw a diagram of a penguin and label features.</p>
