

UNSWORTH ACADEMY

Friday 2nd October 2026

Dear Parents and Carers,

As we reach the end of another positive week at Unsworth Academy, I would like to share a number of important updates and celebrations from across our school community. It has been wonderful to see our learners continuing to demonstrate commitment, enthusiasm and a willingness to embrace the many opportunities available to them. Thank you, as always, for your continued support in helping us maintain the high expectations we have for all learners.

Next week we are excited to be hosting our Open Evening on Thursday 8th October, our focus will be on welcoming prospective learners and their families into our school to showcase the fantastic opportunities available at Unsworth Academy.

May I take this opportunity to thank, in advance, all of the learners who have volunteered their time to support us during Open Evening. Their willingness to represent the school, share their experiences and demonstrate pride in their school is greatly appreciated. Our learners are always our best ambassadors, and I know they will make a tremendous contribution to the success of the event.

I am also delighted to report that our Year 11 Period 6 sessions have got off to an excellent start. Attendance has been extremely positive, reflecting the determination and commitment shown by our learners as they prepare for their examinations. These additional sessions provide valuable opportunities for intervention, consolidation and examination preparation, helping students to maximise their potential and achieve the very best outcomes possible. I would like to thank all parents and carers for your continued support in encouraging attendance at these sessions. Your partnership with the school plays a vital role in ensuring learners are able to take full advantage of the support available to them.

This week, our Year 10 and Year 11 learners have attended college assemblies which have provided valuable information about post-16 opportunities and future pathways. The assemblies have been extremely informative and have helped learners gain a greater understanding of the wide range of courses, qualifications and career routes available to them. We are grateful to our college partners for supporting our careers programme and helping our learners make informed decisions about their futures.

A reminder to all parents, carers and learners regarding our uniform expectations. Maintaining high standards of uniform is an important part of our school culture and helps promote a sense of pride, belonging and readiness for learning. We ask that all learners arrive at school each day in full uniform and ensure that jewellery, footwear and other items are in line with our uniform policy. Hoodies, non-school jumpers etc. are not permitted in school. We appreciate your continued support in helping us maintain these high standards.
