

UNSWORTH ACADEMY

Friday 22nd November 2024

Dear parents/carers,

We have had a super week of high standards and coping with the cold weather. A big thank you for all your support with our uniform, equipment and behaviour drives. Thank you, too, for how you have been receiving our praise telephone calls. Our standards fortnight continues into next week and I, truly, feel that it is helping everyone at school to keep great focus in these short late-November days.

I would, also, like to thank you for the completion rate of the Parent's Survey. You have highlighted the good things that you would like us to continue doing and some other aspects that you would like changing/improving. Parent Survey results will be analysed in real depth, alongside student and staff surveys, over the coming weeks. Whilst on the topic of home-school partnership, I must highlight a Parent Representative vacancy on our Academy Council. If you are interested in dedicating time to provide challenge and support to school leaders and contributing to our school improvement journey, please email information@unsworth.set.org.

There are 3 Headteacher's Awards that I would like to announce in this week's Friday Update. Eleeza Asghar in Year 8 has produced a fabulous piece of work considering deep societal issues in PSHE. #BeInclusive. Ali Al Anizi in Year 9 has thoroughly impressed his Pastoral Manager with consistent displays of good personal character. #BeMoral. And Lily Moon in Year 9 has produced a textiles product of the highest complexity in her latest Technology rotation. #BeExcellent.

Just a reminder that a week today, Friday 29th November, is a staff training day so school is closed to students. And we look forward to seeing Year 8 families at Parent's Evening this coming Thursday.

Yours faithfully,

Mr A Fair
Academy Principal
