

UNSWORTH ACADEMY

Friday 27th March 2026

Dear Parents and Carers,

We hope you are well and have had a positive week.

This Tuesday, our Year 9 students took part in the Options Evening and Careers Fair, which provided a valuable opportunity to explore the pathways available to them as they begin planning for the next stage of their education. It was wonderful to see so many families engaging with staff, further education providers, and employers to support these important choices.

On Thursday and Friday, Year 9 also participated in their Army Days, which were a great success. The activities were highly engaging and offered students the chance to build teamwork, resilience, and leadership skills. We are very proud of the enthusiasm and maturity shown by all involved.

Yesterday evening, we held our Year 11 Parents' and Carers' Evening. Thank you to all families who attended and for the continued support you are offering your children as they work towards their final examinations.

We would like to take this opportunity to remind parents and carers about access to the school approach road. Please only use this route if you have a prior arrangement agreed with our SENCO, Mrs. Atkinson. The space is extremely limited, with no safe area for vehicles to turn around, and parking availability is very restricted. It is essential that this area remains clear at the end of the school day to allow students to leave the site safely.

For all other collections, we kindly ask that you park considerately on Parr Lane and walk up to school. Your cooperation greatly supports the safety and wellbeing of our students.

Thank you, as always, for your continued support.

Have a fabulous weekend!

Yours faithfully,

Mr. Stewart
Headteacher
