

# UNSWORTH ACADEMY

Friday 8<sup>th</sup> May 2026

Dear Parents/Carers,

The exam season is now officially underway; Year 11 have been working hard in the final preparations to make sure they have the best chance to achieve their potential. Our fabulous staff have worked together to devise the 'rev up' timetable which enables learners to get the opportunity to be with their subject teachers for support and guidance prior to going into the exams. Good luck to all our amazing Year 11 learners for the exam season ahead!

I'd like to also say a huge thankyou to our Year 7 Parents and Carers who attended our information evening last night. It was an excellent turnout and so lovely to see the home-school partnership in action! Lots of important and positive conversations were happening. Many parents made a point of passing on their thanks for the efforts of our staff, which is always really appreciated.

Some of our Year 10 learners have participated in the 'Tech We Can' event, with many thanks to Accenture who hosted. This involved our talented young minds of the future, working through a brief to design an AI platform and app.

This week has also seen sporting success with so many fixtures and competitions taking place, notable achievements include our Year 7 boys' football team progressing to the Greater Manchester semi-final and our Year 9 boys' football team making in to the Bury Schools Cup Final. Huge well done to all who have contributed.

As we continue to promote the crucial importance of reading, our scholastic book fair continued this week with lots of learners across year groups taking advantage of the opportunity.

Finally from me, as the weather becomes warmer (hopefully), please continue to support us with uniform expectations. Can I also say thankyou for your support following our reminders about the importance of punctuality to school, we have seen a significant improvement in this, but there are still some of our young people arriving late. Please continue to work with us on this so that we can ensure that the start of the school day is positive and purposeful for all of our learners.

Thankyou for reading, have a wonderful weekend.

Yours faithfully,

**Mr. Stewart  
Headteacher**
