Unsworth Academy

KS3 3 YEAR CURRICULAR MAP- CHEMISTRY

Chemical reactions (rates)

Half Term 6

Exothermic and endothermic reactions

Half Term 5

Chemical reactions (acids)

Half Term 4

Conservatio n of mass

Half Term 3

Covalent bonding

Half Term 2

Atoms and elements

Half Term 1

YEAR 9

YEAR 8

Explaining Chemical Changes

Half Term 1

Scientific Numeracy

Half Term 2

Obtaining Useful Materials

Half Term 3

Graphs and
Data
Analysis

Half Term 4

Using Our Earth Sustainably

Half Term 5

Scientific Evaluation

Half Term 6

Qualitative Science and Practical Techniques

Half Term 6

Explaining Physical Changes

Half Term 5

Data and Graphs

Half Term 4

Elements, Compounds and Reactions

Half Term 3

Hazards, variables and analysing data

Half Term 2

Mixing, Dissolving and Separating

Half Term 1

YEAR 7
