

October 2023

Dear Parents/Carers,

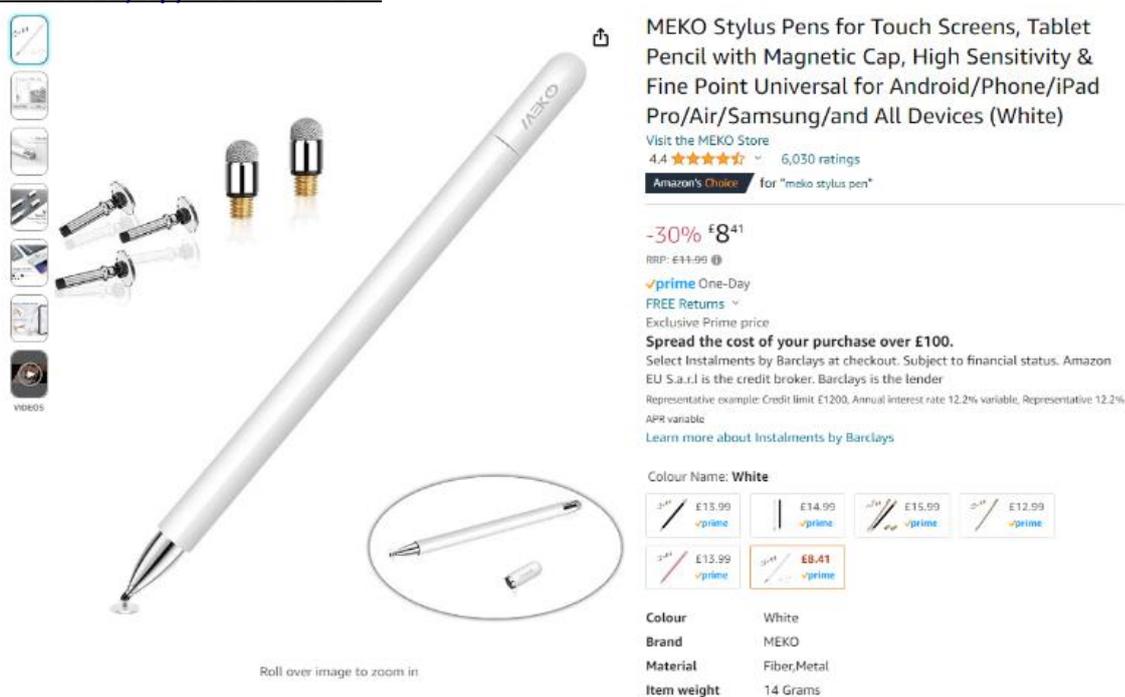

We are delighted with the impact, progress and successes we have seen so far in learning here at Unsworth Academy, since we became an iPad school. The huge investment we have made by providing every learner with an iPad, has already had a huge impact on learning and closing any digital divide.

We would like to recommend some equipment to you which will further enhance learners experience and capabilities when using their iPads. iPad pens and keyboards can be used in almost all subjects, and greatly improve the standard of work produced when writing using the iPad.

Below are our recommendations and information on where to purchase them from:
