

UNSWORTH ACADEMY

Friday 7th February 2025

Dear parents/carers,

One of the best weeks of our year at Unsworth Academy is "show week". "2025 Guys and Dolls Show Week" has been amazing! A huge well done and thank you to all involved. Thank you to parents and our community for three sell-out nights. Thank you to our fantastic staff team who should be so proud of how they supported and challenged learners to perform. And above all, thank you to the amazing student cast, and backstage crew, who put on three supreme, joyous and almost professional-level performances. Here is a link to our X account to see some images of the triumph! I felt extremely proud of every single contributor. Great, great achievement all! Thank you again. <https://x.com/UnsworthAcademy>

Next week sees the start of Year 11 Mock Series 2. Mock Series 1 took place in November. Learners have been working hard with teachers to improve specific aspects, fill any knowledge gaps and complete content coverage. Good luck to all. A successful Mock Series 2 will be the perfect springboard into final GCSE preparation in March, April and May. Let's have two very strong weeks of revision thank you Year 11. And good luck again.

There are several ways in which we report home on learner progress. We, of course, have our three data reports a year and our one or two parent's evenings, depending on year cohort. We, also, send a comment report home for all one thousand learners. The report consists of some key figures and comments from your child's Form Tutor and Head of Progress. Our change of Management Information System (MIS) has thrown up a few challenges around the collation of these reports, but they are very nearly ready. Over the course of the next week, they will be emailed over to you and will, also, appear on the Arbor Parent App.

Next Friday we are hoping to have some exciting news from the Guinness Book of World Records.... but more of that then! For now, have lovely weekends one and all and thanks for all your support, as ever.
