

18th September 2025

Dear Parent/Carer,

As you are aware, our first set of mock examinations will begin on **Monday 10th November 2025**. This is just over six school weeks from now. With this in mind, we would like to invite students to attend additional revision sessions (referred to as 'period 6') for the next six weeks, starting on **Tuesday 23rd September**. This will help students to prepare for these important exams, both in terms of content and revision techniques.

This is a crucial year for our year 11 students and the teachers at Unsworth are keen to do all we can to ensure students are prepared and feeling confident ahead of these mock examinations. It is important that students are working equally hard to achieve well in these initial set of exams, particularly with college applications etc. being imminent.

Overleaf there is a table showing which period 6 sessions are being offered, where and when. Please take a few moments to discuss this with your child and encourage their attendance. All sessions will run until **4pm**.

Maths and English are being offered weekly and then year 11 students can opt to attend other revision sessions as guided by their subject teachers. Additional revision sessions are being offered at lunch-time in some subject areas including Spanish, Art and Photography. In Performing Arts and Music, learners will be offered targeted rehearsals during either break, lunch and after school in the lead up to performances.

If you have any questions in the meantime, please feel free to get in touch.

Kind regards,

Mrs H. Isles
