

17<sup>th</sup> December 2025

Dear Parent/Carer,

As you are aware, our second set of mock examinations will begin on **Monday 9<sup>th</sup> February 2026**. This is just over five school weeks from now. With this in mind, we would like to invite students to attend additional revision sessions (referred to as 'period 6') for five weeks, starting on **Tuesday 6<sup>th</sup> January**. This will help students to prepare for these important exams, both in terms of content and revision techniques.

This is a crucial year for our year 11 students and the teachers at Unsworth are keen to do all we can to ensure students are prepared and feeling confident ahead of these second round of mock examinations, where we should see clear improvements from their first set of exams in November. Students have received significant feedback from their teachers over the past few weeks, and should now have a clear insight into areas they individually need to work on to further improve.

Overleaf, there is a table showing which period 6 sessions are being offered and on which specific dates. Please take a few moments to discuss this with your child and encourage their attendance. All sessions will run until **4pm**.

Whilst these sessions are not compulsory, we would encourage students to attend all sessions where possible to receive additional preparation ahead of the exams. Period 6 will be offered in their usual classrooms unless otherwise advised by class teachers.

If you have any questions in the meantime, please feel free to get in touch.

Kind regards,

**Mrs H. Isles**  
**Assistant Principal**
