VISION, CULTURE AND VALUES

"To drive the academic and character development of learners, so that they may shape wider society and the communities they inhabit."

"Character shapes society." abbr.

The above is our vision and raison d'être. We are unashamed in our use of the word drive. Providing the energy to support young people to success is crucial. We recognise this and we are proud of how we do it. We, also, facilitate and nurture to create our unique culture at Unsworth Academy. There are three main principles that underpin our culture:

Individual Ownership

Accountability, self-discipline and a bespoke approach to realise personal potential.

Holistic Development

Academic and character progression are of equal importance.

Community Strength

A school community within a wider community that grows through collective collaboration.

The following six value statements characterise our behaviours. By being a member of the Unsworth Academy community, children and adults commit to these sacrosanct and authentic beliefs:

Be excellent.

All members of our school community aspire to excellence in all that they do.

Be organised.

All members of our school community believe that a foundation of personal organisation is key.

Be resilient.

All members of our school community strive to be resilient when faced with adversity.

Be kind.

All members of our school community show empathy and concern for others.

Be inclusive.

All members of our school community value diversity and actively embrace difference.

Be moral.

All members of our school community consider the principles of right and wrong behaviour.

10N – Dr Marshall

10S – Mrs Grimshaw

10W – Mrs Steer

10O – Mrs Banim

10R – Mrs Hanmer

10T – Miss Burns

11H- Mrs Ross

My Role as Head of Progress

- Oversee the options process leading into Y10
- Monitor student progress and attendance
- Analyse assessment data – identify underperforming students
- Provide support to students through interventions, e.g. progress reports where parents are informed, and clear targets are agreed upon.
- Promote careers/post 16 pathways

Non-Negotiables

- 96% Attendance is our minimum
- Punctuality to school and lessons
- Correct Uniform
- Equipment and School Bag
- Attitude to learning

Evidence from a Department for Education study shows a strong correlation between school attendance and GCSE success. The chart below illustrates this:

A world map is displayed on the left wall, showing continents and oceans. Below it are several educational posters, including one titled "Longitude Lines" and another titled "Latitude Lines".

The noticeboard is titled "Unsworth Academy" and "Notice to Great Teaching & Learning". It contains several sections:

- LEARNING ADVISORY BOARD**: A notice about the Learning Advisory Board.
- BOOK NOTICE BOARD**: A notice about the book "Oliver Twist" by Charles Dickens.
- EMILES & CONDUCTANCE**: A notice about Emiles and Conductance.
- REGISTRAR PRACTICE QUESTIONS**: A notice about Registrar Practice Questions.
- SAVEDAYS**: A notice about Savedays.
- ATTENDANCE INFORMATION**: A notice about Attendance Information, including a bar chart showing attendance percentages for different groups.
- PHONE NUMBER**: A notice about the phone number.

There is also a calendar at the bottom right of the noticeboard.

Progress Update - Example

Reading Age

Assessment	Autumn Term	Spring Term	Summer Term
Chronological Reading Age			
Reading Age			

Pupils will be tested 3 times a year to check their reading age. Their reading age will be stated in years and months (13.5), a proficient reading age to access examination papers is 15. A pupil's reading age should be in line with their chronological (actual) age.

SEND Support

- For pupils with an EHCP, the access arrangements they will have in their GCSE's will be discussed at their annual review meeting.
- Pupils with medical conditions or a diagnosis of any other SEND need may also automatically qualify for support in their exams, again this will be discussed during parents evenings or meetings with parents.
- Some pupils will be tested at the end of the year based on their data and progress in school and they may then qualify for additional support in their exams. Again this will be shared with parents if they qualify.
- ***For more information please email information@unsworth.set.org - KAT***

Agenda for the Evening

1. Good to Outstanding Journey
2. Assessment and Reporting cycle in Y10
3. Start to GCSE courses – Mrs Smith
4. Revision techniques
5. Work experience & College Open Events

Making a great start to your GCSE and vocational qualifications

- Well done – overall a good start to GCSE/vocational courses
- There will be no more changes – initial issues have now been ironed out
- Most of the content of your courses is taught in Year 10
- Year 10 is 6 terms of teaching (39 weeks of school)
- Year 11 is 3-4 terms of teaching with revision and recap at the end – this is also interspersed with 2 sets of mock exams (approx. 32 weeks of school until the first exam)
- You need to be here! Aim for 100% attendance
- For some courses there are exams in Year 10
- For some courses there is ongoing centre assessed work
- There is no time to waste – make the most of **every lesson, every day**
- Every evening, review your classwork and organise your resources and homework
- Have a space to work in – get set up **this year** study timetable, time with **no devices**
- Take part in as many opportunities as possible to enhance your learning and your skills (work experience, clubs, school visits etc.)
- Begin to think about next steps – college applications begin in October 2024

Agenda for the Evening

DfE Research Report

Your role is very important!

“School improvement and school effectiveness research consistently shows that parental engagement is one of the key factors in securing higher student achievement. The impact is evident across all social classes and ethnic groups.”

What can you do to support your child in achieving the best possible results?

- Try to provide a space and an environment conducive to revision
- Encourage your child to make a (realistic) timetable of the revision they intend to complete each day and check they have completed it
- Encourage revision with regular breaks (20-50 minutes at a time)
- Keep in regular communication with school (form mentor initially, HOP, pastoral manager, subject teachers)
- Attend parents' evenings so you are aware of how well your child is doing in different subject areas
- Encourage your child to revise for mock exams
- Talk to them about the bigger picture
- Discuss revision strategies with your child

What is effective revision?

The two most effective study strategies are:

- **Retrieval Practice** – the act of recalling information from memory. This includes self-testing and quizzing.
 - It helps to show what you know and what you don't! If you are aware of the gaps in your knowledge, you can then close them.
 - It can reduce anxiety and boost confidence.
- **Spaced Practice** – this is spacing revision out over time – the opposite to cramming.
 - 5 hours' worth of revision would be better over 5 days than 5 hours in one day.
 1. Start studying early
 2. Spread it out over time
 3. Little and often!
 4. Avoid cramming
 5. Be organised

Unsworth Academy Year 10 Work Experience Programme

22nd to 26th April 2024

The 8 Gatsby Benchmarks

- A Stable Careers programme
- Learning from Labour Market Information
- Addressing the needs of every pupil – A Levels, Vocational, Apprenticeships, etc.
- Linking curriculum to careers
- Encounters with employers and employees
- Experiences of workplaces
- Encounters with further and higher education
- Personal guidance – one to one careers interview.

Why Is Work Experience Important?

- The programme is a fantastic opportunity for your child to gain an introduction into the world of work. It will also allow them to:
- Develop their employability skills such as communication, teamwork, IT and problem solving. These are just some of the skills that employers look for.
- Gain confidence in their abilities and start to build their CV.
- Think more clearly about their future career path.

Self-Placement

- We value parental support in encouraging students to find their own placements. This is good practice for entering the world of work. It is also more likely that a student will find a placement they are interested in, if they find it themselves.
- All placements will be health and safety checked to ensure they are safe, and that the employer holds Employability Liability Insurance. If not, the placement will not be approved.
- If needs be, students have access to a database of employers within the Greater Manchester area, licensed by Tailored Education Ltd.
- If a student has been actively looking and not been able to find a placement, school will support them in trying to do so.

Self-Placing Tips

- Use the internet to find employers in the local area. Email, telephone or visit employers in person to make an enquiry.
- Ask family and friends if they are aware of any companies willing offer a placement.
- Social media – X (formerly Twitter), Facebook, LinkedIn – follow companies on social media to see if they are offering placements.
- Use the employer database.

Once a Placement is Confirmed

- Once a placement has been found, the information **MUST** be input onto an electronic form.
- When the electronic form has been completed, school will contact the employer to confirm the placement and a health and safety check will be carried out by Tailored Education Ltd.
- Should the health and safety checks come back unsatisfactory, a new placement will need to be found.
- During the placement, staff at school will make contact with the employer to make sure everything is going well.
- An evaluation will be completed by each employer and returned to school.

What Next?

- A letter giving all information will be sent home this week. On the letter there is a link to the electronic form and also log in details to the employer database, should a student wish to use it. This letter will also be emailed to students at their school email address.
- The deadline for confirming placements is **Friday 15th December 2023.**
- Students can call into the Careers Office to speak to Mrs Cullum should they have any problems finding a placement.
- Mrs Cullum can also be contacted at school, should any parents have any questions.
