

Dear Parents,

Attached is the home learning for your child while they are unable to come into school. Please use the exercise book in your child's pack to record any work and it will be marked when your child returns to school. Please record the reading in your child's reading diary.

The learning below uses the Oak National Academy which has been set up by the Government to support children and schools during the Covid pandemic. Each session covers a national curriculum objective and has a teacher to take your child through the learning. Your little person will need support with concentration and focus and the videos can be paused and watched as many times as needed.

Either click directly onto the blue link or type the address into your web browser. There is also a link on how to search the Oak National Academy website, The text below is to be read to your child.

We are really sorry that you need to stay at home to isolate at the moment. We hope you are feeling okay.

Below is some learning to complete while you feel well. If you become poorly your adults at home might decide you need to stop doing the work.

Each day there are four lessons to complete, some reading, some exercise and a quick chat with one of the adults back at school so we can see how you are. These are the things that will make up your new school day while you are at home-

- A Literacy lesson
- A maths lesson
- A Topic lesson
- PE activities
- Reading to an adult.

Below are your lessons for each day – you can search using instructions in the coloured boxes or just click on the blue link for each lesson.

Sometimes the video might ask you to pause and do the quiz. Don't worry if you can't do this. The most important thing is to watch the video.

Day Y1	Literacy - Search 'Oak National Academy' - click on 'lessons' - click on 'subjects' - click on 'KS1' - click on 'English' - click on 'Monkeys and Hats: problems' (10 lessons)	Maths 10 lessons looking at - Counting and representing numbers within 10 - number bonds to 10, - Comparing and ordering numbers within 10 - addition and subtraction.	Geography/All about me Search 'Oak National Academy' - click on 'lessons' - click on 'subjects' - click on 'KS1' - click on 'Geography' - click on 'London in the United Kingdom' (5 video lessons, 5 all about me activities)	PE Follow the links below for some fun, physical activities. Perfect for a brain break! PE Challenge ★ Can you complete the PE challenge and become a professional fitness superstar!

Can you draw a poster of your favourite thing about where you live? It might be your favourite place to visit near your house, or a place in your home that you love the most!	

I hope you work hard and enjoy being a 'Home Learning Hero.' Try hard and make us all proud of the brilliant member of our school you are and we cannot wait to have you back in school.

Love from

Mr Churchill and everyone at your school.
