

1 Together Sunny and Suki have £14.

Sunny has £2 more than Suki.

How much money does Suki have?

2 Fill in the missing numbers:

$$30 + 40 + \square = 100$$

$$40 + \square + 20 = 100$$

$$36 + 44 + \square = 100$$

$$36 + 54 + \square = 100$$

$$47 + \square + 20 = 100$$

$$47 + \square + 30 = 100$$
