Hello

We are writing to make sure that you are aware of the service that we provide, and to provide a poster and leaflets.

Our service: Money Advice

We provide free expert debt and benefits advice, including:

- Advice on options, and negotiating with creditors
- Bankruptcy
- Debt Relief Orders (we employ a DRO Intermediary)
- Personal Independence Payment claim forms
- Checking eligibility
- Benefit appeals

We don't have any restrictions on who we can advise, although clients will need to be able to visit our office in Turlin Moor, Hamworthy. However the first step would be for them to call us on 0808 23 000 23 (free from mobiles, landlines, and payphones) to book an appointment.

Referrals

We are happy to receive referrals. It would be useful to have some basic details, including:

- Client name and telephone number
- Brief description of the issue
- Details of any advice already provided by you or anyone else around the problem
- Whether you will still be working with the person, and if you would like to be updated

A referral can be made by calling or emailing us.

Please also feel welcome to contact if you would like to discuss our service, or to explore potential partnership opportunities.

We look forward to potential future opportunities to work together. Thank you.

Yours sincerely,

Nick Lee
Director
