

Dear Parents,

Attached is the home learning for your child while they are unable to come into school. Please use the exercise book in your child's pack to record any work and it will be marked when your child returns to school. Please record the reading in your child's reading diary.

The learning below uses the Oak National Academy which has been set up by the Government to support children and schools during the Covid pandemic. Each session covers a national curriculum objective and has a teacher to take your child through the learning. Your little person will need support with concentration and focus and the videos can be paused and watched as many times as needed.

Either click directly onto the blue link or type the address into your web browser. There is also a link on how to search the Oak National Academy website, The text below is to be read to your child.

We are really sorry that you need to stay at home to isolate at the moment. We hope you are feeling okay.

Below is some learning to complete while you feel well. If you become poorly your adults at home might decide you need to stop doing the work.

Each day there are three lessons to complete along with some reading and exercise. These are the things that will make up your new school day while you are at home-

- An English lesson
- A maths lesson
- A Geography lesson
- PE activities
- Reading to an adult.

Below are your lessons for each day – you can search using instructions in the coloured boxes or just click on the blue link for each lesson.

Sometimes the video might ask you to pause and do the quiz. Don't worry if you can't do this. The most important thing is to watch the video.

Day Y2	English Search 'Oak National Academy' - click on 'lessons' - click on 'subjects' - click on 'KS1' - click on 'English' - click on 'Baba Yaga: created story (openings)' (10 lessons)	Maths 5 Lessons - completing last week's unit on 'Numbers within 100' (Lessons 11-15) 5 Lessons - Graphs : representing and interpreting data, pictogram, block diagrams and tally charts	Geography Search 'Oak National Academy' - click on 'lessons' - click on 'subjects' - click on 'KS1' - click on 'Geography' - click on 'Villages, towns and cities' (10 Lessons)	PE Follow the links below for some fun, physical activities. Perfect for a brain break! PE 10 day fitness Challenge

★ 10 Day Fitness Challenge – Fun and simple physical activities to complete by yourself or with your family! How many can you complete?				
Day 1 Have an egg and spoon race with someone in your house.	Day 2 Make your own hopscotch!	Day 3 Pick up an item from the floor without using your hands.	Day 4 How long can you balance on one leg for?	Day 5 Walk around your house with giant steps!
Day 6 10! How many different moves can you do 10 of? e.g. - squats - touch your toes - lunges	Day 7 Create your own obstacle course, who can complete it in the fastest time?	Day 8 How long can you balance a ball/beanbag/cushion on your head?	Day 9 Lying on floor, how long can you keep your arms and legs up in the air?	Day 10 Scavenger hunt! Can you find one item from around your house beginning with H, E, R, O . Challenge your family, who will be the quickest?!

I hope you work hard and enjoy being a 'Home Learning Hero.' Try hard and make us all proud of the brilliant member of our school you are and we cannot wait to have you back in school.

Love from

Mr Churchill and everyone at your school.
