

My number formation mat 	Zero	One	Two	Three	Four
					
	Make a big loop, around you go, this is how you draw a zero!	Draw a line and then you're done, number one is lots of fun!	Half a heart says "I love you", add a line and it's a two!	Around and around just like a bee, this is how you make a three!	Down and across and down to the floor, now you have made a number four!
Five	Six	Seven	Eight	Nine	Ten
					
Straight neck and around the fat tummy, hat on top and five is funny!	Draw a 'C' then loop to the middle, you'll make a six with this riddle	Across the sky, zoom down the line, you'll make a seven every time	Sammy snake eats his tail, to make an eight you can't fail!	A loop and a line makes number nine!	Draw a one and a zero, you've made a 10 you super hero!

Eleven	Twelve	Thirteen	Fourteen	Fifteen
				
				
Sixteen	Seventeen	Eighteen	Nineteen	Twenty
