

Our Curriculum Aims

- To be brilliant learners who are curious, creative, resilient and enjoy learning.
- To be brilliant readers who love books, read confidently and understand clearly.
- To be brilliant writers who are imaginative, communicate confidently and write accurately.
- To be brilliant mathematicians who recall quickly, apply fluently and reason clearly.
- To be brilliant at gaining knowledge and developing skills confidently that will stick with us for life.

Our Curriculum Intent

Our broad and balanced curriculum intends to develop a love of school, so children gain knowledge and develop skills which are built upon year on year enabling them to succeed in their next step on their learning journey.

Our Curriculum Offer to the 'Upton Child'

- We will know you well before you arrive so we can make sure school is ready to welcome you and you can thrive.
- Our classrooms will be positive, friendly places and our adults will build excellent relationships with you.
- We will care for you and keep you safe.
- We will help you make friends.
- There will be lots of opportunity for you to play with children and adults.
- Our values will help you to be a kind, respectful and well behaved member of our community.
- We will know you, value you and treat you with respect and dignity at all times.
- School will be full of fun, wow moments and excitement.
- We will help and support you to be present in every way.
- We will take you on exciting and interesting school trips.
- We will have theme days, dressing up days and visitors that help you understand the world.
- We will make sure you see shows, take part in performances and get the chance to show us your talents.
- There will be parties, discos and events for you to enjoy.
- We will teach you to read using a phonic scheme that is known to be excellent and teaches you at your level.
- We will share the world of books with you so get to love stories, words and facts.
- Teachers will help everyone to progress well in their lessons.
- Learning will be fun, interesting and inspiring.
- Learning will be practical, linked to the world and interesting people.
- We will make learning stick so you leave us ready to fly at your next school.
- We will keep an eye on your learning and give you extra help if you need it.
- If you have barriers that make learning difficult we will help you to overcome them.
- If you have a particular learning need we will put a personalised plan together so you can learn.
- We will include all children in our community.
- We will teach you ways to care for your own wellbeing.
- We will work hard to make sure you have three brilliant years at our school.
