

Behaviour Policy Appendix

Year Six Behaviour Response

Year 6 Further Consequences

5 minutes will be deducted *instantly* from your playtime if...

- You are not following school rules/expectations.
- You are rude or disrespectful to a member of staff or another pupil.
- You are not being safe.

You will *instantly* miss lunchtime play the following day if you are physically or verbally aggressive to a member of staff or another pupil. This includes during a sport or game. The consequence for this behaviour will escalate further if necessary.

- Due to preparing Year 6 for secondary and having even higher expectations of behaviour, children do regularly reach step 3 of our behaviour policy. We will record this behaviour in school, but parents will not be informed.
- Year 6 parents will only be contact if their child moves to Step 4 and/or 5.
- If a child accumulates 20 minutes in one lesson, they will immediately move to step 4.
- If a Year 6 accumulates 5 logs of Step 4 and/or Step 5, this will trigger a meeting.
