

Upton Junior School – Bikeability Level 1 – Year 4

I am delighted to be able to offer Bikeability Level 1 courses at Upton Junior School. Level 1 takes place on the playground and is preparing you to take part in Level 2 on the roads in Year 5.

The training is free of charge and all of Year 4 will take part. If you're not quite able to ride confidently yet then we will help you out and hopefully get you riding along with other children who are in the same situation as you.

You are welcome to bring in your own bikes but there are plenty of bikes at the school for you to use.

The training will take place between Wednesday 28th – Friday 30th January 2026.

What is Bikeability?

Bikeability is the government's national cycle training program. It helps you learn practical skills and understanding of how to cycle on today's roads. Bikeability gives everyone the confidence to cycle and enjoy this skill for life.
