

Upton Junior School – Bikeability Level 2 – Year 5

I am delighted to be able to offer Bikeability Level 2 courses at Upton Junior School. Level 2 takes place on the local residential roads and is designed to improve confidence and experience riding on today's roads with traffic.

The training is free of charge and all of Year 5 will take part. If you're not quite able to ride confidently yet then we will help you out and hopefully get you riding along with other children who are in the same situation as you.

You are welcome to bring in your own bikes but there are plenty of bikes at the school for you to use.

The training will take place between Thursday 5th – Friday 13th February.

What is Bikeability?

Bikeability is the government's national cycle training program. It helps you learn practical skills and understanding of how to cycle on today's roads. Bikeability gives everyone the confidence to cycle and enjoy this skill for life.

Find out more: www.bikeability.org.uk

Each child has been signed up to the course, using details from last year's Level 1 course. Hopefully you will have received emails from the Bikeability Trust with information on what to expect and how to check your bikes etc before taking part.

Many thanks
