# Welcome to PlayWorks!

PlayWorks provides **quality childcare** for children of primary school age before and after school and during school holidays. We also run a pre-school for children aged 2-4.

We have a **fantastic team of highly trained and qualified staff** who are dedicated to creating new and exciting games and activities.

PlayWorks boasts 2 outdoor play areas with climbing frames, swings and slides and the location of the club allows us to make use of local parks where children can really let off steam.

We actively encourage making healthy choices, providing plenty of opportunity for physical activities and promote healthy eating with a varied menu of healthy snacks.
