NATIONAL  
WALKING  
MONTH

20 – 24 MAY 2019 IS LIVING STREETS'

# WALK TO SCHOOL WEEK

WE'RE JOINING THOUSANDS OF SCHOOLS NATIONWIDE FOR AN EXTRA SPECIAL CELEBRATION OF WALKING TO SCHOOL FOR WALK TO SCHOOL WEEK 2019.

Striding, strolling, cycling and scooting our way to healthier and happier school gates. We hope you'll join us!

### LIVE TOO FAR FROM SCHOOL TO WALK THE WHOLE WAY?

- Swap the whole ride for a Park and Stride or skip a stop on the bus and walk the rest of the way!

### ALREADY WALK TO SCHOOL?

- Challenge yourself to walk every day during Walk to School Week.
- Invite along a friend or family member for the walk so they benefit from moving more, too.

### DID YOU KNOW?

Living Streets celebrates its 90th anniversary this year. In our early days, we campaigned for the first pedestrian crossings to be introduced to the UK. How many zebra crossings can you spot on the way to school?
