

Dear Parents/Carers,

We are delighted that you and your child will be joining us in September. On behalf of the staff, Governors, children and parents it gives us great pleasure to welcome you to Ursuline.

As a parent I know how important your child's first experiences of school are and what a big step settling into school is for both you and your child. Starting school is an exciting time for all and we want to ensure that you are prepared for this important next step on your family's journey.

I am privileged to be head of this wonderful school; a place where all children learn in a safe secure environment and achieve their full potential, a place where talents and skills are nurtured and developed. Whilst still focusing on the spiritual and personal development so we can ensure our children become caring and responsible citizens, our main aim is to ensure our children make many special memories during their time at Ursuline.

I truly believe it is vital for us to work in partnership during your child's time at school. We all have children's best interests at heart and when we work together children flourish both academically and socially. We look forward to developing this partnership over the next few years.

Normally we would be inviting you to attend a meeting to share information which would include a tour of the school and the opportunity to answer your questions but unfortunately, due to the current circumstances we are unable to do that at this present time. Instead we have put together a video tour of the classroom and an information pack. Your child's new teacher will also be in touch over the coming weeks.

As we are unable to arrange home visits and stay and play sessions at this time, we have decided to hold stay and play and meet the teacher sessions in September; all being well. Children will visit one morning with a parent/carer and then attend either one morning or afternoon on their own before starting full time on Friday 4th September. You will be given a slot for when you need to attend in the pack provided. If you feel your child will need more transition, please get in touch and we will do everything we can to accommodate this.

We hope the information we have provided in this pack helps to answer some of your questions. Please take a look at our website for further information and to read our prospectus. If you have any queries or questions, please do not hesitate to send us an email via help@ursulineprimary.co.uk.

We look forward to meeting you in the coming months

Regards

Mrs Robinson
