Dear Parents/Carers,

As you know from time to time we take the children out during the school day to such places as St. Joseph's Church, the beach, the local park, and other places of interest in the local vicinity. I am sure you will agree that over the year you are asked on numerous occasions for permission for staff to take the children on visits within walking distance of the school. We are proposing that, unless the visit is outside school hours or involves using transport, you give permission just once at the beginning of each school year for your child to join in these activities

This will not only make life easier for you, but it will also cut down on the amount of paper that we use and the number of 'phone calls that we make. We will inform you, and ask permission for your child to take part in any activities that incur a cost, are outside school hours or use any means of transport.

If at any time you wish to discuss any proposed trips please do not hesitate to contact the school. We hope your child has a wonderful, rich, varied, and fun filled year of educational visits.

Yours sincerely,

Educational Visits Co-ordinator

.....

I give permission for my child .....Class.....  
to participate in any educational visits that take place within walking distance of the school and within school hours.
