### Governing body regulations (maintained schools)

- The total number of Co-opted governors who are also eligible to be elected as Staff governors, when counted with the Staff governor and the Headteacher, must not exceed one third of the total membership of the governing body.
- Associate Members and governors who are members of staff cannot be Chair or Vice-Chair.
- Associate Members do not count towards a quorum and do not have voting rights for governing body meetings..
- The quorum for a meeting of the governing body and for any vote on any matter at such a meeting, is one half (rounded up to a whole number) of the membership of the governing body (i.e. half of the number of governors currently in post, not half of the total number of governors required).
