

To be an Artist, I...

Use a variety of mark making techniques to create texture.

Use appropriate shading techniques to create a tone.

Use the primary colours to mix and create a range of secondary colours.

Select appropriate creative materials to collage with.

Use a range of different lengths, types and thicknesses of line.

Use sculpting techniques to create 2D and 3D forms.

I can use a range of different creative materials to make my own artwork.

I can use a range of different tools to draw, paint, collage and sculpt with.

I can use the formal elements of art in my work with confidence.

I can discuss thoughts and opinions on the work of different artists.

I can evaluate my own work and the work of others.

I can discuss, replicate and respond to artwork from different cultures and time periods.
