We would like to hear any comments regarding your answers to the questions above. (7 extra comments)

1. Sensory after school club should be brought back
2. Usworth Colliery is an amazing school, fully inclusive, supportive and nurturing to all children. Communication is excellent, school is always clean, tidy and well presented, staff are welcoming and friendly - my child is extremely happy there and doing really well.
3. I have always thought that nothing is done to help struggling children. If they are struggling they get left behind but I understand there is not enough teachers to help the children who do struggle.
4. Excellent education
5. Great school no issues at all, any concerns are dealt with as soon as they can
6. My children says, Usworth is the best school they have ever went to
7. I put don't know to question 15 as I don't think the new Collins hub is very effective for learning to read as they only update the books when I ask them too not every week like was said at the start of the year please go back to paper books thanks
