### ATTENDANCE AND SICKNESS UPDATE

This year we are placing a strong focus on improving attendance and supporting children to be in school every day. Regular attendance is vital, as it allows children to make the most of their learning, build strong foundations for the future, and develop important social skills such as forming and maintaining friendships. The link between attendance and attainment is clear: the more time children spend in school, the greater their opportunity to achieve their full potential. We therefore encourage all families to prioritise daily attendance wherever possible.

However, we would also like to remind parents to follow NHS guidance when children are unwell. In cases of vomiting and/or diarrhoea, children should be kept off school and should not return until at least **48 hours after symptoms have stopped**. Most cases resolve without treatment, but if symptoms persist, please seek advice from your GP.

Thank you for your continued support in helping us keep children healthy, happy, and ready to learn.

### WHO HAS BEEN IN MY OFFICE THIS WEEK?

**Thomas from Base Blue** was using his colourful semantics to help him to write full sentences about Pip-Pip, a penguin who was frightened of the ocean. He wrote 3 full sentences and remembered to use capital letters and full stops in all of them. Well done Thomas Keep working hard

**Peyton, Nicole, Sophia and Noah 1JB** have all been writing super sentences. They were tasked with writing a sentence using adjectives to describe their nouns and not only did they all write independent sentences but they could identify the nouns in each sentence and the word they had picked to describe the noun. Absolutely fantastic work from all of them. Well done!

## ANCIENT MAYA DAY FOR Y6

On Tuesday, Y6 took part in an Ancient Maya Day! They were asked to come into school dressed in bright colours or animal print, reflecting the dress of the priests, nobles and royalty of the era. We became archaeologists and studied some Maya artefacts, questioning what they were made from, what they were used for and who might have owned them. In the afternoon, we tasted some Mexican food (tortillas, guacamole, jalapenos and refried beans) as well as tasting some authentic Maya hot chocolate - it was very spicy! Finally, we learned what a ziggurat was - an ancient Maya pyramid -and attempted to construct our own with cardboard. A fabulous day! We hope the children enjoyed it and have learnt some interesting facts about the Ancient Maya. *Mrs Swinburn and Mr Warner.*

## YEAR 1 LITTER PICK

Year 1 have been learning about how we can look after nature and how sometimes humans have a negative impact on nature and our environment, through their actions. We talked about littering. We realised that it is our responsibility to either put our rubbish in the bin or recycle it and to look after our local environment. We had a visitor, from Groundworks NE, who supported us to do our very own litter pick.

## DON'T FORGET OUR FREE BREAKFAST CLUB!

As we start the New Year and the new term, I would like to take this opportunity to remind you about our **free Breakfast Club**, which is **available to all pupils** and is a great way to start the school day.

Children can attend Breakfast Club from 8:00am (last entry 8.30am), where they will be offered a healthy breakfast including a variety of cereals, yoghurt, fresh fruit, toast and fruit juice each day. There is **no charge to attend** and **no need to pre-book**.

The only requirement is that a consent form must be completed before your child's first visit. Even if your child does not currently need to attend Breakfast Club on a daily basis, we strongly encourage all parents to complete the consent form. This ensures that should an emergency arise, or if you need the provision on an ad-hoc basis, your child will always be able to access Breakfast Club on the day without delay.

If you are unsure whether you have already completed a consent form, please email [info@usworthcolliery.co.uk](mailto:info@usworthcolliery.co.uk) and a member of staff will be happy to check and get back to you. We look forward to welcoming more children to our Breakfast Club.

### THE NIGHT I BORROWED TIME BY IQBAL HUSSAIN

A funny, heart-breaking and uplifting tale about family, bravery and living in the here and now, perfect for fans of Time Travelling With a Hamster and Wonder.

I'm going back in time to save this family. Eleven-year-old Zubair is a seventh son. This means a LOT of big brothers. But when Zubair's granny arrives from Pakistan and gives him a mysterious amulet, he discovers it means something else, too: he has inherited a gift. The seventh sons in his family have the ability to time-travel. With his dad a shadow of his former self since his car accident, and his mum always tired and angry, Zubair has a **genius idea. He'll use time-travel to fix things between them. But each trip comes at a cost.** If he changes something small in the past, it can have a huge effect on his future. And if he gets it wrong, the results could be devastating...
