PAYMENT OF SCHOOL MEALS

Please be reminded that our school meal provider is a company called Dolce and therefore all payments for school meals must be made directly to them.

We are unable to accept any cash payments for school meals and kindly ask parents not to make electronic payments through the City of Sunderland website for school meals. This helps Dolce keep records accurate and ensure the correct meals are provided to the children. All payments should be made to Dolce, in advance of the meals being provided

If you have any questions or need any assistance in sending payments directly to Dolce, please speak to a member of the office staff who will be able to help you in this matter.

BOOKING PARENTS/CARERS MEETING APPOINTMENTS FOR WEDNESDAY 18TH FEBRUARY

An email has been sent out this week with information regarding how to book an appointment time for the parents/carer evening on the 18th February. If you have not received the email, or if you need any support booking appointments, please contact the school office

UCPS GIRL'S FOOTBALL TEAM NEWS

The girls' football team took part in their first night of futsal fixtures on Thursday. It was an exciting experience for the squad, with many players new to futsal and the 5-a-side format. The opening match against Biddick saw plenty of attacking opportunities, though the team found it challenging to adapt to the different size of the goals and futsal ball, resulting in a narrow 1–0 defeat. The second game, against George Washington, was played 4-a-side due to opposition numbers and produced an exciting, end-to-end contest that finished in a 5–5 draw. Futsal will recommence for its final session next Thursday (5th February) when the remaining games will be played, followed by an awards presentation.

Mrs Skeen

WHO HAS BEEN IN MY OFFICE THIS WEEK?

Marnie 1JB came to show me her fantastic sentence writing. She had written 4 sentences all about the little boy and his penguin. She had worked so hard on her letter formation and had remembered to use full stops at the end of each sentence. Well done!

Lex and Oscar in 5JM and Lucas in 5GS came to show me their completed 'hot writes' which were a section of a story written in the style of the author Guy Bass who is funny and loves to write about monsters. All three boys have worked extremely hard to produce high quality stories remembering to use all the features of their success criteria. Well done!

Valerie 6JW has been developing her use of reported and direct speech to help move a story forward and her results are superb. She is reading the unabridged version of Macbeth at home and has totally immersed herself in the language of Shakespeare. This means her writing sounds so authentic I thought she had used actual quotes from the original play. Wow Valerie I can't wait to read your version of act 2!

CELEBRATING NSPCC NUMBER DAY

We're looking forward to celebrating Number Day on Friday 6th February! Children are welcome to come to school in their own clothes, celebrating all things numbers. This could be outfits inspired by numbers, Times Table Rockstars, or Numbots. We're looking forward to a fun day full of maths, creativity, and number-themed learning across school.

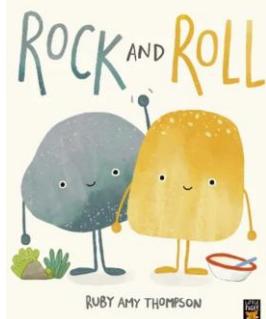

SUNDERLAND LIBRARIES SERVICES

The Sunderland Library Service are excited to let you know that their libraries are running a **World Book Day Costume Exchange** again this year to help families celebrate in a fun, affordable, and sustainable way. Children and their parents/carers can donate a pre-loved costume at the Houghton & Washington Libraries throughout February and pick up something "new-to-you" for free over half term (from Monday 23rd February). It's a great way to reduce waste and make World Book Day accessible for everyone. You can find them at both Houghton Library, 74 Newbottle Street, Houghton-le-Spring DH4 4AF and **Washington Library, Independence Square, Washington NE38 7RZ**

For more information, please see the poster at the bottom of this newsletter.

RECOMMENDED READS AND NEW RELEASES

ROCK AND ROLL BY RUBY AMY THOMPSON

Rock and Roll are very different.

Rock is strong and Roll is soft.

Rock hates attention. Roll loves it.

But hang on . . .

Maybe they have more in common than we think . . .

This standout debut from Ruby Amy Thompson introduces two unforgettable characters! With bold visuals, big laughs, and a brilliantly playful layout, this is a story that celebrates connection; Rock and Roll always appear on opposite pages, yet their worlds are cleverly linked through shared experiences.

LOCAL COMMUNITY OFFER

There are a number of posters attached to the bottom of this newsletter that we have shared this week via our Facebook account. They are all from local community groups who have asked us to share upcoming events and offers that we feel might be of interest to our families!

Sunderland City Council, Economy & Place Directorate

The community safety HUBs are designed to place communities at the heart of our work. This approach ensures early engagement, intelligence-led responses, and people and place-based solutions tailored to local needs. Each HUB will support effective multi-agency problem solving.

The hub will focus on the following key priorities:

- Tackling Anti-Social Behaviour (ASB) and Local Priority Crime
- Improving Environmental Quality, including fly-tipping, litter, and dog fouling
- Enhancing Feelings of Safety and Community Engagement
