### CELEBRATING NATIONAL YEAR OF READING 2026

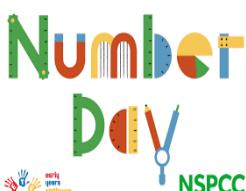

National Year of Reading 2026

GO ALL IN.

### CELEBRATING NSPCC NUMBER DAY

What a great Number Day we had in school again this year. The children looked fantastic dressed in their number themed outfits and engaged so well in the number activities. This year we were visited by Sunderland University students who came to see what we were up to in maths and who were so impressed with the Mastering Number work they saw in both KS1 and KS2. I was so proud of all the children today as they showcased our super maths curriculum and demonstrated a real love of maths!

## BOOKING PARENTS/CARERS MEETING APPOINTMENTS FOR WEDNESDAY 18TH FEBRUARY

An email has been sent out this week with information regarding how to book an appointment time for the parents/carer evening on the 18th February. If you have not received the email, or if you need any support booking appointments, please contact the school office

### WHO HAS BEEN IN MY OFFICE THIS WEEK?

**Poppy 3RD** has been working very hard at home to learn her tables. She brought me a roll of paper that she had used to write out and practise 6 different times tables patterns- some of which she hasn't even been taught in school yet! Well done Poppy!

**Wealth, Callie, Lottie, Kaydee and Amelia 4RL** have all been working on transforming their hot writes, from a scary opening and build up into a much happier story. They did this very successfully by adapting the atmosphere. They were able to tell me that's they had changed the mood of the piece by changing the weather and using different adjectives and noun phrases and the results are absolutely superb!

**Alfie 5GS** has been calculating the area of compound shaped and had worked so hard he came to show me all of his calculations. He was even able to talk to me about how you can work out the area by splitting the compound shape into two rectangles. Well done Alfie, I know Mrs Skeen was very proud of you this week!

**Harry and Travis 6JW** have been researching about Mayan gods. Travis had drawn a super picture and produced a fact file describing Itzamna, the creator god and explaining how he created the world. Harry had written a report describing the Mayan creation story detailing the different attempts by the gods to create humans that could worship them. Both pieces of work were very impressive and the depth of their research was very evident. Well done boys!

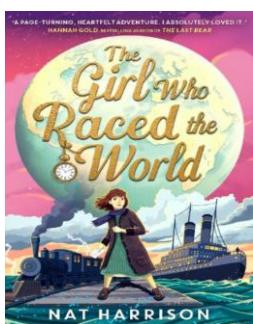

**Jacob, Saphira and Darcy** brought their final hot writes where they have transformed a section of the play Macbeth into a narrative or story. I was so impressed with their language choices, sentence structure and the way they described the settings using detail and adjectives that not only brought the writing to life but gave the reader clues to the horror that was about to unfold! Super work well done!

### COMMUNITY EVENTS UPDATE

Please see the most recent flyers school have been sent from local support groups and community groups. This week we have posters for:

Free outdoor play sessions for autistic children and families, information from the Community Mental Health Hub and a SEND Family Fun Day at the Beacon of Light in April. There is also a flyer from Sunderland Aquatic centre advertising their swimming club (see the bottom of the newsletter for details)

### RECOMMENDED READS AND NEW RELEASES THE GIRL WHO RACED THE WORLD BY NAT HARRISON

It is 1872 and, when Maggie Appleton's beloved mother dies, she is left with nothing but a letter for a mysterious stranger called Passepartout. With nowhere else to turn, Maggie seeks out Passepartout and, in doing so, is drawn into an adventure beyond her wildest dreams. Together with Passepartout's employer, the enigmatic Mr Phileas Fogg, Maggie journeys to Italy, India, Hong Kong, Japan and America, in a daring race against time to win the wager Mr Fogg has accepted.

But with a bank robber on the loose, an angry Inspector on their tail and unread secrets in her mother's letter, Maggie soon discovers that there is much more at stake than keeping on schedule to win the bet. Who can she really trust - and will she ever find out where she truly belongs?
