Number of children on roll	365	Initially written:	July 2023
		Date of internal reviews:	July 2024

Key achievements to date:

- Gaining engagement (continuation of silver) award standard in School Games award in 2020/21.
- Gained The Great Active Sunderland School Charter Award (Silver level 2022-23)
- Increase in participation across the school in intra competition throughout the school.
- Participation in Travel to Tokyo, promoting health and wellbeing by encouraging pupils to log physical activity in home school diaries.
- COVID safe Sports Day.
- Y4 children took part in Dance REunited class dance competition in Spring Term.

Areas for further improvement and baseline evidence of need:

- PE lead review provision for sports/physical activity at break and lunch times and ensure pupils have access to high quality equipment.
- New sports offered through after school clubs on a termly basis.
- Increase use of Sports Council to run and maintain active competitive sport during lunch and breaktimes
- Increase opportunities for all pupils to take part in intra-house competitions and raise profile of these events

Y6 currently meeting national curriculum requirements for swimming and water safety

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	63%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	54%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	40%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Barriers to Learning

A	Social Deprivation: According to IDACI, 53% of our children live in the bottom 10% of the most deprived areas nationally, 70% in the bottom 20%, 75% in the bottom 30%, 82% in the bottom 40% and 94% in the bottom 50%. This affects the level of engagement in sporting activities outside of school due to the lack of funds to spend on such activities for a sustained period.
B	Lack of activity outside of school: A large amount of children (60%+) participate in little or no physical activity outside of the school day
C	Attainment on entry: Physical development on entry to school continue to be significantly lower than what would be regarded as typical for many children of a similar age.
D	Social Care Needs: Our school has a large number of children (38%+) who have been supported historically or currently by outside agencies including social care and family support workers recently. These families are exposed to the wide range of risk factors that affect health, family unit, prosperity.
