

Pathways at Valley College

Our vision for college learners is to equip them with the skills to be fully included in their own community. College can be a pathway to paid work, further study or meaningful volunteering. Our pathways are accredited and we have formed extensive employment networks with local business and community organisations.

At Valley College you will receive high quality careers advice and guidance to work towards your aspirations.

We have three pathways that you may access:

Pathway to Independence

At Valley College you will develop your personal independence within home and the community. You will have access to a range of environments to develop and enhance these skills.

Real Life Environments On Site
