# Welcome from the Executive Principal

16<sup>th</sup> November 2021

Dear Prospective Candidate,

I am delighted that you are interested in the opportunity to apply for a role at Valley College as a College Tutor.

Our Trust currently has three primary schools and 2 special schools, together with Valley College (a specialist post-16 institution, SPI). The Trust supports 475 staff and in excess of 2,000 learners.

We are ambitious with our plans; in the next five years, we aim to further grow the Trust by developing our specialist provisions, partnering with concurring schools and, should the right opportunity present itself, open a Free School. We are excited by our current vision for our post-16 learners, with plans to develop the successful Valley College offering in Rossendale and open a similar setting in Blackpool. As we seek to mirror this provision, our tutors in Rossendale will be instrumental in demonstrating best practice.

More detail about the role is provided in the Job Description later in this brochure.

### **STAFF BENEFITS**

The Sea View Trust appreciates that, in achieving its' full potential, it is the staff that make the biggest difference. Therefore, in order to attract the best talent, we offer a competitive reward and benefits package.

### **Competitive salaries**

Competitive salaries are offered for both teaching and non-class based staff, depending on the type and level of role. Pay ranges are reviewed annually and the Trust works closely with recognised Union colleagues to ensure that the pay scales reflect the national picture. Starting salaries are determined by the pay range for the role, the experience of the candidate, as well as external market conditions. The Trust is also proud to be a Living Wage Foundation employer, this helps to ensure that all our staff are treated fairly.

#### **National Terms and Conditions**

The Sea View Trust is committed to offering national terms and conditions in line with the School Teacher's Pay and Conditions document ("STPCD"), the Burgundy Book (for Teachers) or the NJC Green Book (for Support Staff). This commitment is reflected in an agreement between The Sea View Trust and the national Trade Unions and Professional Associations.

### **Pension Scheme**

All contracted members of staff will be automatically enrolled into the appropriate pension scheme (the Teachers' Pension Scheme or the Local Government Pension Scheme). Employees do not pay tax or national insurance on their contributions and the Trust adds a generous employer contribution, which varies depending on the salary. All staff are entitled to opt-out of the pension scheme should they wish to do so.

### **Continual Professional Development**

The Trust values the contribution of its' skilled staff team and is supportive of Continual Professional Development opportunities. Funded opportunities are upon application and subject to business need.

### Holiday

The Trust recognises the importance of a good work-life balance and provide generous holiday entitlements for support staff. This entitlement is in addition to any Bank or Public holidays. If you work part-time, your holiday entitlement will be pro-rated. There is a statutory closure period for all staff over the Christmas and New Year period.

#### **Flexible and Family Friendly Policies**

The Trust understands that employment policies need to be flexible and responsive in order to promote diversity and equality, and to attract and retain the highest quality workforce. Our Flexible Working Policy provides an opportunity for employees to request (after a qualifying period) an arrangement such as a job share, a part-time role or flexibility with home working. Such requests will always be considered fairly, whilst taking account of the needs of the employee, the post and the Trust. The Trust is also very mindful of staff welfare and has policies in place to support staff, wherever possible, with leave for emergencies or for compassionate reasons.

### Wellbeing and Occupational Health Services

The Trust has an active Wellbeing focus and is continually considering collective opportunities for staff, together with addressing the agenda for 'workload reduction'. For individual staff, colleagues may be referred to our supportive Occupational Health services and be offered access to appropriate services (e.g. physio assessment, counselling services).

#### Cycle to Work scheme

The Trust's Cycle to Work scheme enables employees to purchase brand-new bicycles and cycling equipment via salary sacrifice, making tax and National Insurance savings.

#### **Occupational Pay Policies**

Subject to qualifying periods, the Trust has both an occupational maternity pay policy and an occupational sick pay policy.
