

Year 2 – Diary WAGOLL

Dear diary,

Today has been an amazing day! I was walking in the busy park with my parents **when** something very odd happened.

We were walking past an old park bench **when** something caught my eye! It was my lost bear! I was so shocked and excited **when** I spotted him that jumped up and down. I could not believe my eyes! I grabbed my mum's warm hand tightly and ran towards my lonely bear. How did he even get there? I felt so confused but very happy that he was back. **When** I picked up my lost bear I squeezed him tightly and smiled. I had missed him so much!
