

## Easter eggs!

An Easter egg in a movie, game or program is an inside joke, reference or secret feature. Pixar movies are known for Easter eggs which refer to their other movies. The example below from Toy Story 4 includes the guitar from Coco as a secret mention of that movie. They are called Easter eggs because they are hidden and need to be searched for, just like eggs at an Easter egg hunt.

Have a go at finding these search result Easter eggs. Search for the following terms **using Google**, and you should get some surprising results!
