18th March 2020

Dear Parent

Firstly, at this time, on behalf of the whole staff team, I would like to thank all those parents who have taken the time to comment or write in to express their appreciation of the school in relation to the coronavirus outbreak – your kind words are very much appreciated by everyone.

It is now looking increasingly likely that this evening's Prime Minister's statement will talk about imminent school closures in England.

I write to inform you of the procedures that will be put in place regarding home learning during a period of closure.

This evening, your child will be coming home with an exercise book which can be used to record some of the work set.

In the first instance, work will be circulated to year groups via Parentmail but, in the event of an extended closure period, weekly home learning will be communicated via the school's website. A link called 'School Closure Home Learning' will be located on the homepage which will then take you directly to the page that will contain the home learning for all year groups.

Further details regarding aspects of home learning will be communicated in the coming days and I once again thank you all for your co-operation at this time.

Yours sincerely

Mr. S Jackson
Head Teacher
