Dear Staff, Parents and Carers

The Trustees of Connect School Academy Trust (CSAT) want to gauge opinion about changing the October half term to a two week break. This change would mirror the policy of many of the local secondary schools, to which Trust children transfer, who have already moved to a two week half term.

We have a very short survey on the Trust website at <http://www.connectschoolsacademytrust.com/> and would be very grateful if you could respond to this by Friday 5 July.

The survey asks whether you would support this change in principle; if we were to proceed with this change, then we would have to confirm details of the way in which we would replace the week's teaching and learning. There are different options for this, including reducing the summer break or increasing the length of the school day. There is an option to make comments on this proposal; if you have a view about this please do let us know.

Your sincerely
