7<sup>th</sup> November 2019

Dear Parents,

I write to update you on Miss Twymann's progress following my meeting with her last Friday.

While the heel bone is healing, Miss Twymann still has limited mobility due to swelling in and around the ankle and she is unable to fully weight bear.

As a result of this slow recovery, Miss Twymann will not return to work in the next couple of weeks as was originally hoped.

Another meeting has been scheduled for mid-November to review Miss Twymann's progress and I will provide another update in due course.

In the meantime, Mrs. Loh will continue to teach 5CT and I am sure you will join me in thanking her for the cover she is providing during this time.

Yours sincerely,

Mr. Jackson  
Head Teacher
