## Chinese New Year

Dear Parents/ Carers,

We are very excited to announce that we will have visitors coming in to Reception to help us learn about Chinese New Year.

On Thursday 6th February, an expert from The Education Group will be coming in to teach each class about Chinese New Year through dance and music sessions. The children will have the chance to use props such as fans and parasols as well as using a traditional Chinese Dragon.

It will be a fun, engaging morning. At the end of the morning, the children will share their new skills with KS1 in an assembly guided by the professional, making this a very worthwhile and valuable experience.

We would *kindly* ask that each parent makes a voluntary contribution of £6.65 to cover the cost of these workshops. If we do not receive enough contributions to cover the cost, we will unfortunately need to cancel the experience.

Many thanks for your continued support.
