29<sup>th</sup> January 2020

Dear Parents

As part of the school's Environmental Plan, I am pleased to announce that the school received its second delivery of air purifiers this morning, meaning that all classrooms at Valley will now benefit from these machines.

In addition to the air purifiers, I can confirm that I am working with Bromley Council to finalise the design and implementation of the greening up of the front façade of the school, with the view to this work being undertaken in the coming months.

Yours sincerely

Mr. Jackson  
Head Teacher
