Dear Parents / Carers

RE: School Funding

Further to my recent letter, I am writing to provide an update regarding the application by the local authority to the Secretary of State to remove £1M from the Bromley primary schools' budgets.

I am pleased to inform you that this application by the local authority has **not been granted**.

This is good news for all Bromley primary schools and I would like to take this opportunity to thank all those parents who wrote to their councillors in support of the school.

As we have had this positive development, there is no requirement to attend the forthcoming Council Committee Meeting on 13th February, if you were planning to do so.

With costs increasing and budgets reducing, all schools are under immense financial pressures, so I would like to take this opportunity to thank you, once again, for your support.

Yours sincerely,

Mr. Jackson
