Example description

Grace is a *little* girl who lives with her mother and grandmother. She has a *kind* face *with big, brown* eyes and a *cute, button* nose. She is a happy child *with* a big smile and *neat, braided* pigtails in her hair. Her mum often ties her *black, afro* hair with ribbons *so* it looks pretty for school. When she smiles you can see the gaps in her teeth *because* she is waiting for her *big* teeth to grow. She has a great imagination and can act out every story she hears. She likes loves to act them *with* her toys and enjoys being the main part herself. Grace is a determined little girl *because* she works hard to get what she wants. She's also very *brave because* she keeps her hand in the air even though other children are trying to tell her not to.
